REMIT A NON-REFUNDABLE APPLICATION FEE OF \$25.00 -- MAKE CHECK PAYABLE TO CITY OF REDMOND

This permit is issued on the following terms and conditions and for the purposes stated herein:

1. Pile(s) shall be no larger than 25' in diameter. A firebreak of dirt shall be constructed around the burn pile before lighting the fire.
2. An adult and equipment capable of extinguishing or controlling the fire must be in attendance at all times while burning.
3. At least one fan must be on site and operating at all times to facilitate burning. Fans shall be used on all fires in excess of 10' in diameter.
4. No more than one pile shall be burned at a time. Each burn pile will require a separate inspection and permit.
5. Piles shall be a minimum of 250' from any structure(s).
6. The fire shall only contain natural vegetation which has grown on the property identified on the permit. (It is illegal to haul in material from other sites.)
7. This permit may be suspended or canceled by the Redmond Fire Department, King County Fire District 34, when deemed necessary for the protection of life, property, or air quality.
8. Particulate matter from the outdoor fires must not be allowed to become deposited upon the property of others.

9. This permit shall only be valid during the months of March, April, May, October, November, and December.

10. This permit shall not be valid during any air pollution episode or period of impaired air quality. Burn ban information can be obtained by calling the Puget Sound Air Pollution Control Agency recording at 1-800-595-4341.

Any permit issued may be revoked for the protection of life or property or to prevent or abate the nuisances caused by such burning. (A nuisance would be defined as ash fallout or smoke accumulation in the area of residential occupancies.)

The violation of or failure to comply with any provision of this permit is a misdemeanor. -- RCW 52.12.106. **Holder of permit is subject to enforcement action by Puget Sound Air Pollution Control Agency.**

If a person starts a fire without a permit or if a permit holder fails to comply with any term or condition of the permit, and as a result of that failure the fire department is required to suppress a fire, the person or permit holder is liable for the cost of fire suppression services. -- RCW 52.12.108
